American Rescue Plan (ARP) Stakeholder Feedback Survey**

Dear DJJ Partners, Parents / Guardians,

The American Rescue Plan: Elementary and Secondary School Education Relief (ARP/ESSER) Fund is providing the DJJ school system with a one-time allocation of funds for supporting students and schools affected by the COVID-19 Pandemic. Twenty percent of funds must be allocated to address student learning loss. The remaining eighty percent can be used for needs such as professional training, technology purchases, facility repairs, social and emotional wellbeing, and additional staff.
