

# Multi-Factor Authentication (MFA)

## Setup, Setting Management, and Authentication on Login

<b>Introduction</b>	<p>These instructions will guide you through the steps to set up Multi-Factor Authentication (MFA) challenge methods.</p> <p>A challenge method is simply another way for an application to be sure you are really you when you log in. You will set up one challenge method: the Security question and answer (required).</p> <p>You only need set up MFA one time. After your setup is complete, you will be prompted for this information when you login to Outlook, Teams, and O365 connected apps like Word, Excel, or OneDrive.</p> <p>If you experience issues during setup, please contact someone at support or the helpdesk.</p> <p>If you need assistance:</p> <p>Contact the GETS Helpdesk at 877-482-3233 Join the "DJJ OpenLine" on M-TH from 9:00am – 10:30am at 470-344-9228 pin: 737 838 357#</p>
<b>BEFORE YOU BEGIN SETUP</b>	<p>Step 0:</p> <ul style="list-style-type: none"><li>• Go to <a href="https://connect.gets.ga.gov">https://connect.gets.ga.gov</a></li></ul> <p>If you DO get a login screen, you are ready to start the setup.</p> <ul style="list-style-type: none"><li>• Proceed to Step 1</li></ul> <p>If you go straight into the GETS portal:</p> <ul style="list-style-type: none"><li>• Click on your name</li><li>• Click Sign Out</li><li>• Proceed to Step 1</li></ul>
