Department of Juvenile Justice Seeking New Recruits

Decatur, Dublin, Savannah, Soperton, Metter, Marietta

(STATEWIDE - GA) DJJ Commissioner Avery D. Niles is pleased to announce the Department of Juvenile Justice is planning to present another schedule of job fairs this month. The agency is making a statewide push to attract highly qualified applicants who are looking for rewarding careers in the professionally challenging field of juvenile corrections.

Recruiters will be hosting the May Career Fairs around the state in search of competent candidates for a wide range of career positions at DJJ, including I-T, administration, education, probation, transportation, correctional officers, engineering, counseling, and maintenance. The job fairs are free and are usually open to the general public.

"Our Human Resources Division is on the road again in May offering these excellent job opportunities directly to civilian and veteran workforces who are looking for fulltime employment right here in Georgia," said Commissioner Niles. DJJ has more than seven job fairs planned around the state before the end of May.

The May 8th job fair at the Delta Career Expo in Decatur is the first stop on the DJJ recruitment schedule this month, followed by stops in Dublin, Savannah, Soperton, Metter and Marietta, Georgia.
