

GEORGIA CRIME VICTIMS COMPENSATION ANSWERS FOR SEXUAL ASSAULT VICTIMS

While no amount of payment can erase the painful memories of a violent crime, we hope this program will help ease some of the financial burdens you face. Eligible applicants may receive compensation benefits to help with medical and dental care, mental health counseling, economic support, crime scene clean-up, and funeral expenses for up to \$25,000 when the costs are not covered by other sources. **Please Note: Information on the application for payment for sexual assault forensic medical examinations can be found on our website at cjcc.ga.gov.**

YOU MAY BE ELIGIBLE

- If you are a victim of sexual assault, the parent or guardian of a minor sexual assault victim, or someone who has taken responsibility (or is listed as a guarantor) for debt incurred as a result of a sexual assault, you may be eligible to receive financial assistance from the Georgia Crime Victims Compensation Program.

ELIGIBILITY REQUIREMENTS

- The sexual assault must have been reported to proper authorities (law enforcement, hospital or appropriate sexual assault forensic medical provider) within 72 hours of the victimization. If the sexual assault took place after May 12, 2008 CVCP can use documentation from the forensic-medical provider or hospital to show the services the victim received within 72-hours of the crime.
- The victim must file an application for consideration of CVCP within 1 year of the crime, unless good cause is shown (A claim submitted 3 years after the victimization cannot be considered).

Please Note: We understand the decision to report a sexual assault is not always an easy decision to make; keeping this in mind, sexual assaults not reported within the 72 hour timeframe may be waived for good cause.
